

# CANCER TREATMENT BENEFIT

WE'RE FOR LIFE

## What is it?

The Cancer Treatment Benefit is an add-on to AIA REAL Life\*, Trauma\* and Total & Permanent Disability\* policies. This benefit provides cover for specialist consultations and diagnostic tests (including oncologist consultations, diagnostic imaging and tests, and laboratory tests) for the diagnosis of cancer. Should cancer be diagnosed, it provides cover for the latest cancer treatments including surgical treatment and access to the latest Pharmac and non-Pharmac Medsafe approved cancer immunotherapy medicines.

**The Cancer Treatment Benefit cover is up to \$500,000 per year.**

Adults can access this cover from ages 18 - 65 years, and children from ages 0 - 17 years. The benefit period is to age 75 years.

## Optional Specialists & Tests Benefit

The Optional Specialists and Tests Benefit adds cover for the costs of specialist consultations and diagnostic procedures for all conditions. Cover is up to \$5,000 per year and you will receive additional loyalty benefits e.g. health screening, sterilisation.

## Why do I need it?

Identifying cancer early and having access to the latest generation of immunotherapy medicines could make a big difference to surviving cancer. The Cancer Treatment Benefit ensures you get immediate access to specialists and diagnostic tools and surgical treatments. This also ensures you have access to a full range of medicines without being reliant on public funding of expensive cancer medicines.

**Cancer** accounts for almost **one third** of all deaths in New Zealand\*\*

### Peace of mind cancer care:

Providing you access to leading treatment every step of the way.

### Case Study

Sarah was diagnosed with cancer but was unable to access the medicines she needed as they were too costly. In order to pay for them, she had to sell her house. If Sarah had the Cancer Treatment Benefit, she would have received up to \$500,000 per year so she could get the treatment she needed.
