REAL Total & Permanent Disability Cover

WE'RE FOR LIFE

What is it?

REAL Total and Permanent Disability (TPD) Cover is an occupation-rated cover providing a lump sum payment of up to \$5m if you are permanently disabled due to illness or accident and are unlikely to work again. The payment would contribute to a more comfortable lifestyle for you and your family if you were facing both the loss of your income and a possible increase in living expenses.

Why do I need it?

Permanent disability as a result of an illness or accident might not only prevent you from working and earning, it could substantially increase the cost of maintaining a comfortable lifestyle for you and your family. How would you manage with no income and possibly having to fund:

- Usual family living expenses and debt / mortgage repayment.
- Full-time carers or having a family member take time off work to care for you.
- Extra childcare expenses.
- Modifications to the home (e.g. for wheelchair access), or moving house.
- Extra medical and / or travel expenses.
- Lifestyle changes due to your disability.

Case study

Fifty-three year old Robbie was on his way to work when a commercial van pulled out in front of him. The ensuing collision left Robbie with a serious head injury. After three surgeries Robbie was left with a significant permanent disability and an ongoing need for medical care. He was unable to return to his teaching job. But because he had an 'Own Occupation' policy with REAL Total and Permanent Disability Cover, he was able to make a claim that provided him with the funds necessary to help him plan for a new future.
