

ABACUS

INSURING WHAT YOU VALUE

THE ABACUS MISSION

Our specialist advice and exceptional service ensures our clients have protection and certainty.

BENEFITS

At Abacus we understand the importance of providing professional advice and claim certainty. It is the quality of our advice that sets us apart.

With offices located in New Plymouth and Hamilton, Abacus continues to pride itself on the best advice and service in both the Taranaki and Waikato regions.

SERVICES

Speak to one of our specialists today about:

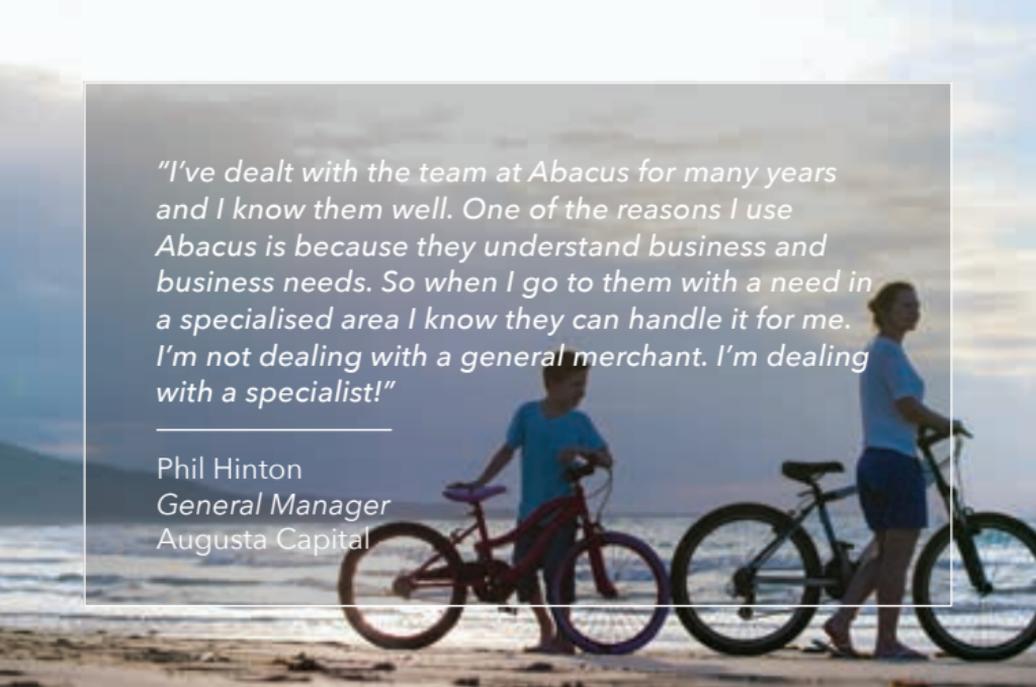

- Mortgage/Debt Protection
- Trauma Insurance
- Life Insurance
- Income Protection
- Medical Insurance

VALUES

Our values identify who we are and how we act.

- We always ask the question: "Is this the right thing to do?"
- We all matter
- We are unique
- Let us always look for improvement

"I've dealt with the team at Abacus for many years and I know them well. One of the reasons I use Abacus is because they understand business and business needs. So when I go to them with a need in a specialised area I know they can handle it for me. I'm not dealing with a general merchant. I'm dealing with a specialist!"

Phil Hinton
General Manager
Augusta Capital

THE ABACUS ADVANTAGE

We don't try to predict your future; we simply work with you and your other trusted advisors to minimise your financial risk.

Our specialists have vast experience in providing financial risk management advice; this means Abacus is in a strong position to

advocate and negotiate on your behalf with New Zealand's leading insurance companies.

Abacus is focused solely on delivering a great customer experience, with access to the most affordable and valuable insurance products on the market.

**Find out how we can help secure your financial future.
